Freefoam
30 Year
Guarantee

CI/SFB

(47) (n7)

The Freefoam Guarantee is backed by leading-edge Technology

Due to its leading-edge technology, Freefoam can offer a ground breaking 30 year extended transferable guarantee on all white* products, and a 10 year transferable guarantee on all coloured* and foiled woodgrain* products. The 30 year extended guarantee is backed by Freefoam's environmentally friendly, lead free formulation and subject to the terms and conditions outlined below.

The 10 year colour guarantee is backed by Freefoam's innovative Colormax® technology which provides ground-breaking colourfastness, colour variety and colour matching. By using a proprietary formulation that contains a unique selection of stabilisers and pigments specially chosen for their high colourfastness properties, Freefoam can confidently offer a wide range of colours.

The 10 year foiled woodgrain guarantee is backed by market leading Renolit EXOFOL MX foil incorporating its Solar Shield Technology (SST). SST offers built-in sun reflection which reduces heat absorption, thus minimising profile temperature and expansion. Guarantee certificates are now available on all of the above products through Freefoam's online guarantee registration system.

Customers not availing of the online registration system to obtain a certificate will qualify for the standard 20 year guarantee on all white products. All guarantees are subject to terms and conditions as outlined on our website (www.freefoam.com/guarantee).

Stockists

- Generate more business by offering your installers a superior package.
- An industry leading guarantee backed by tried and tested leading-edge technology.

"The Freefoam Guarantee adds credibility to our roofline range and our installers have found it to be an excellent sales tool" - Mark Warren, Managing Director, Lister Trade Frames.

A. How to Register as a Stockist

1. Log onto www.freefoam.com/guarantee
 2. Click on 'Register Here'.
 3. Enter your email address and a password of your choice (with 6 characters or more).
 4. You will receive an email to the address you specified containing a link. Click on this link and your account is active.
 5. On your account page fill in your contact details and click 'save'.
 6. On right-hand side of this page click the 'become a registered stockist' button.
- A Member of the Freefoam team will confirm your application within 2 working days.

B. How to nominate an installer for approval

To recommend an installer, you must be registered as a Freefoam Stockist.

You can quickly and easily recommend any number of your installers to allow them to offer the Freefoam guarantees on their installations.

1. Log onto www.freefoam.com/guarantee
2. As you have already registered as a Freefoam stockist simply enter your personal Email Address and Password.
3. Click on 'Nominate An Installer'.
4. Complete the registration form by filling in the installer details.

A member of the Freefoam team will confirm the installers account within 2 working days to you and the installer.

Installers

- Win more business by giving your customers peace of mind.
- Add weight to your sales proposal.
- Simple online registration process.

"The main benefit for us was the Freefoam Guarantee on all parts of the roofline" - Leigh Stevenson, Director, Kirk Hallam Homes.

A. How to register as an Installer

1. Ask your stockist to nominate you.

OR
